

Our school change

Trio initials: _____

1

Our brief

Stage 2 · agree on one school system you all recognise

System: _____

At the moment, this system asks students to...

For some students and staff, that means...

We could change...

☐ Specific, workable, and free from blame or deficit labels

3

Universal first

Stage 4 · run these over your draft design

☐ Can students find and understand what they need?

☐ Can they take part in more than one way?

☐ Can they pause, ask for help or recover?

☐ Is the support available when demand increases?

☐ Is there more than one way to access, engage and respond?

What we adjusted:

2

Options we chose

Stage 3 · choose one or two that answer your brief

☐ Professional learning and coaching

☐ Predictability as policy

☐ Inclusion team and review cycles

☐ Documentation that helps staff

☐ Something else: _____

Why it fits: which demand in our school does it answer?

4

Our design

Stage 5 · then ask the trio next to you to check it

1 This term: a decision that costs little

2 This year: what we will build

3 The strategic plan: what makes it last

4 What we will observe

5 When we will review it

☐ Checked by another trio: still student-centred and environment-first
